Representative Ortitay:

CONGRATULATIONS! We are pleased to inform you that NFIB's political action committee, the NFIB PA PAC, has endorsed your candidacy for reelection, in the upcoming November 3, 2026, general election.

Your election is not only critical to the small business owners in your district, but also to protecting free enterprise across Pennsylvania. On behalf of all NFIB members, we look forward to standing with you as you continue to do big things for small business.

Based on your voting record, it is clear you share our vision that a healthy small business jobs climate can best be achieved through lower taxes, less wasteful state spending and less government regulation. You recognize that small businesses are the driving force behind Pennsylvania's economy -- producing high-quality products, services, and jobs. And it is also apparent that you have a clear understanding of the problems and challenges facing small business owners in Pennsylvania.

The small business message is a critical element to a winning campaign, and the endorsement and get-out-the-vote effort of NFIB has been a key factor of success in many legislative races. On behalf of NFIB in Pennsylvania, we are pleased to support your election efforts and wish you success.

The NFIB staff in Harrisburg are happy to work with your campaign team to develop a strategy that maximizes the impact of this endorsement to benefit your candidacy. You may contact me at 717.215.5036 or greg.moreland@nfib.org.

We also encourage you to continue to use NFIB as a resource for information. Please visit our website NFIB.com/Pennsylvania for regular updates on issues and policies that affect small businesses in Pennsylvania.

We are pleased to support your candidacy and are hopeful that we will share a well-deserved victory in the upcoming election.

Sincerely,
